#### New Business

1. Festival in Harlan Co., Oct 6-7<sup>th</sup>, Robin Reams had arranged for a display to go to the festival. Contact people were Diana and Mike Corrison. Unfortunately Arin Wheeler had already asked for the display for a family event in Hopkinsville that featured rail trails. KRTC will try to have the large display ready to go to Harlan Co., Robin Reams will explain the situ and see if something can be worked out. Need is to have calendar for displays. Will arrange for brochures and newsletters to go with the displays.
2. Keith Lovan asked for authorization to spend \$50.00 to get a banner sign to Velcro on to the big display. Seconded and approved. Keith will arrange the pictures and Velcro items on the large display.
3. Steve Wyatt and Dixie Moore to meet the following Tuesday to decide how to set up corporate sponsorships.
4. Monday Keith Lovan will be meeting with Alex Godsey from the Cathy Crockett Trail.
